NAME _____

Answers: I AM MIGHTY MICA

The four powers are: FIRE WATER ROCKS
& LIGHTNING

MIGHTY MICA'S POWERS.

The Disk Of Fire. The disk of fire has two purposes. It lights the darkness, but unlike ordinary fire that uses up oxygen to burn, this flame consumes deadly gases and releases oxygen.

The Disk Of Water. The disk of water contains all the water of the earth. With it, a raindrop can be changed into the deepest sea and a sea into the smallest raindrop.

The Disk Of Rock. The disk of rock represents all the elements of the universe from which the heavens and the stars were formed.

The Disk Of Lightning. The disk of lightning is forged from a bolt of sunlight. All forms of energy are stored within its bounds.
