

PreK-1. Who Am I? MILK. Directions. Print out. Color. Write the word "MILK" in upper- & lowercase print.

NAME _____

A nutritious white liquid,
I taste smooth as silk.
That's because I am M-I-L-K,
MILK.

M I L K

m i l k

milk – *n.* 1. A nutritious white fluid that women and other female mammals produce to feed their young immediately after birth. It is rich in protein, fats, lactose, and vitamins. 2. An opaque white fluid produced by mammals and used by human beings as food, such as from cows, goats, and other animals, or for other purposes, such as the principal ingredient of other foods such as butter and cheese.

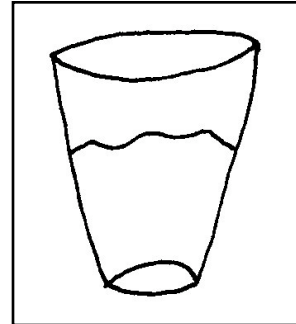

THANKSGIVING.
